Power of Advertising

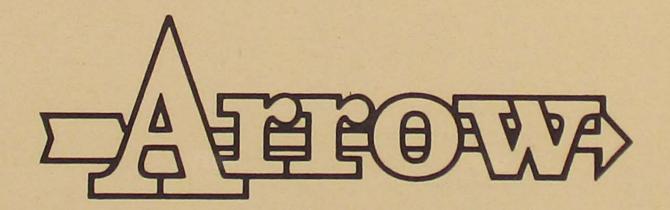

THE CITY DIRECTORY is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase. If your business is not classified properly, and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you?

ADVERTISING is the foundation upon which successful businesses are built. You must apply this to your own particular business.

ADVERTISING is the power of an idea multiplied.

INTRODUCTION AND GENERAL INDEX

R. L. POLK & CO., publishers of more than 1,400 city, county, state and national Directories, present to subscribers and the general public, this, the 1967 edition of the Ames City Directory, which also includes Nevada, Story County Directory and the Taxpayers of Story County.

Confidence in the growth of Ames' industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly re-

flecting Ames to the world.

The enviable position occupied by R. L. POLK & CO.'S Directories in the estimation of the public throughout the country has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Ames Directory will fulfill its mission as a source of authentic information pertaining to the community.

Nine Major Departments

The nine major departments are arranged in the following order: -

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business section, which embraces a list of the names and addresses of all business and professional concerns of Ames and Nevada, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the communities. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In busy and diversified communities like Ames and Nevada, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns of Ames is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Ames, and the name, official personnel, nature and address of each firm and corporation in the city.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, for Ames, is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes, the listing of telephone numbers and Zip Code numbers.

IV. THE NUMERICAL TELEPHONE DIRECTORY for Ames is the fourth major department, printed on blue paper.

V. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns of Nevada is the firth major department, printed on white paper.

VI. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE for Nevada, is the sixth major department, printed on green paper.

VII. THE NUMERICAL TELEPHONE DIRECTORY for Nevada is the seventh major department, printed on blue paper.

VIII. THE STORY COUNTY DIRECTORY, covering the small towns of the county, is the eighth major department, printed on white paper.

IX. THE STORY COUNTY TAXPAYERS DIRECTORY is the ninth major department, printed on white paper.

Community Publicity

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Ames and vicinity.

The Ames Directory Library

Through the courtesy of the publishers of the Ames City Directory, a Directory Library is maintained in the offices of the Ames Chamber of Commerce, for free reference by the general public. This is one of more than 1,000 Directory Libraries installed in cities and towns throughout the United States, Canada and Puerto Rico by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

The National Animal Disease Laboratory, Ames, Iowa, is the United States Department of Agriculture's research center for investigation of livestock and poultry diseases that occur in the United States. The laboratory,

completed and occupied in 1961, is a complex of fire-resistant buildings located on a 318 acre tract of land approximately three miles northeast of the city. Constructed for approximately \$16.5 million, the laboratory with an operating budget in excess of \$6.5 million annually, each year continues to expand in research and laboratory facilities. This, the world's most modern veterinary research facility, requires as many utilities and services as a small city. Many of the animals used in the various research projects are reared at the Animal Production Unit, which is located approximately one and one-eighth miles south of the main laboratory on a site consisting of some 45 acres. The laboratory employs some 452 persons, one-fourth of which are scientists research veterinarians, bacteriologists, biochemists, physicists, and other biological scientists. A number of laboratory assistants, technicians, and administrative personnel are also employed.

The aims and purposes of this laboratory are to develop basic and applied research programs on infectious and non-infectious diseases that rob the American farmers of approximately \$2 billion annually. Investigation of each disease entity is conducted by a team of scientists who have different and specialized training.

In addition to the research program, two regulatory divisions also are associated in the day-to-day work of the laboratory. This work includes setting standards and testing veterinary biologics for safety and potency, and providing diagnostic services to support Federal eradication and control programs.

THE IOWA STATE HIGHWAY COMMISSION

Created in the dirt road days of 1904 to make investigations of road conditions and to advise local authorities, the Iowa State Highway Commission today reflects the increasing awareness by Iowans of the importance of highways to the state's development and progress.

The five members of the Commission, appointed by the Governor, established organization policies. The administration of those policies is the responsibility of the Director of Highways.

Basic jobs of the Commission are to:

- 1. develop and maintain an up-to-date inventory of all the highway facilities in the state.
 - 2. analyze and project highway needs.
- 3. plan, program and design the new highway facilities to meet these needs.
- 4. acquire right of way, let contracts and supervise construction of new highway facilities.
 - 5. maintain the facilities for the benefit of the motoring public.

The Highway Commission today is responsible for 8,886 miles of rural primary highways, 1,089 miles of primary extensions in cities and towns, 201 miles of state park and institution roads and for joint control with the 99 county boards of supervisors over 91,385 miles of secondary roads.

The Commission cooperates with county authorities in approving plans and contracts for road construction, approves budgets for secondary roads,

reviews city programs, budgets and plans for street improvements, provides engineering assistance to other state departments, works closely with cities and towns in preparation of long-range plans.

About 1,000 persons are employed in the Highway Commission state headquarters in Ames, and approximately 2,700 other persons are employed by the Commission elsewhere throughout the state. This total includes Commission maintenance forces in every county.

The Commission has six district offices, 25 resident construction offices and 26 resident maintenance offices.

Construction funds disbursed by the Highway Commission during the past two fiscal years totaled \$215,279,381. Since the enactment of the 1917 law accepting Federal Aid, \$2,092,260,369 has been spent on the primary road and farm-to-market road systems under the Highway Commission's supervision.

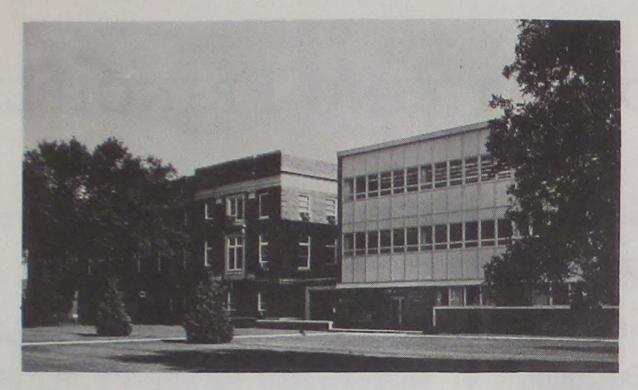

From a Memorial Union window, a co-ed looks at the Stanton Memorial Carillon. A memorial to Margaret McDonald Stanton, first dean of women and her husband, Edgar W. Stanton, who served the University for 50 years, the carillon has 49 bells with a new keyboard large enough to accommodate 53 bells. Carillonneur Ira Schroeder gives regular concerts just before 8 a.m. each week day and shortly after 1 p.m. Longer concerts are performed on special occasions.

AMES PUBLIC SCHOOLS

With modern, well-equipped school buildings and with modern educational philosophies and practices, the Ames Public Schools offer a splendid opportunity for the education of the children of the city. The school plant comprises twenty buildings, with a present total new replacement value of \$11,271,250. This plant includes the new Senior High School; the downtown Central Junior High School building and its splendid auditorium and gymnasium facilities; the

Welch Junior High; the Beardshear, Crawford, Edwards, Fellows, Lincoln, North Grant, Meeker, Roosevelt, Sawyer, Whittier and Willson Elementary Schools.

Central offices of the Iowa State Highway Commission in Ames, completed in 1961.

Three projects have been completed within the last year. A stadium with a well-lighted football football field and an all-weather Grasstex track was used for the first complete football season in the fall of 1966. Connected with this stadium is a senior high school gymnasium that was dedicated in February 1967. A joint city-school recreation building housing a 75' x 75' swimming pool is connected with the gymnasium and is used jointly by the school and the city. A new elementary school is being dedicated in April 1967.

A new junior high school for the west side of Ames will be under construction soon. Bonds have been voted, and the plans are about ready to go to the bidders.

During the past fourteen years nine different bond issues were successfully carried to authorize the construction of three elementary schools, additions to five elementary schools, remodeling of junior high school facilities, a new high school and a new junior high school. There were a total of 70 elementary classrooms with related facilities and 61 secondary classrooms in these construction projects. The new senior high school was constructed a unit at a time as funds permitted on a beautiful, spacious 74 acre site. Some additional well-located sites are being acquired on which to build more schools to meet the needs of the growing enrollment.

Each year the average teaching load has been kept at about 25 children per teacher by providing additional classroom space and more teachers. The central office service staff has also been increased to give help to individual students and classroom teachers.

Pupil enrollment, exclusive of about 400 people in adult education, is 5,700. The teachers and other professional staff numbers 299. There are 90 other personnel — secretaries, food service employees and custodians. The Ames Schools have a fine staff of supervisors who give guidance in the curriculum areas at all levels. There also are special education services for children at all levels.

Conclusion

From the foregoing factual data, it can be seen that Ames offers many advantages—Social, economic, educational. It has an exceptionally high health rating; it is a city of beautiful homes, situated in one of the fairest states in the land, in the heart of the world's wealthiest agricultural region. Ames possesses virtually every element vital to the social and economic welfare and personal happiness of the individual, and every element of success for the small business or small industry.

ADVERTISING PRINCIPLES

- 1. Good Advertising waims to inform the consumer and help him to buy more intelligently.
- 2. Good Advertising tells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.
- 3. Good Advertising ~ conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.
- 4. Good Advertising ~ recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.

CITY DIRECTORIES

Polk City Directories are published regularly for more than 1,300 North American cities. Each Polk Directory is the one complete inventory of residents and businesses in the community for which it is published. The facts compiled for a City Directory include the name, address, occupation and marital status of each resident; the name, address, ownership and classification of each business. The vast fund of information in a Polk Directory helps bring together buyers and sellers, facilitates credit, speeds deliveries and communication and stimulates business generally. Polk also cooperates in maintaining City Directory Reference Libraries in cities throughout the United States and Canada.

AUTOMOTIVE STATISTICS

Polk has served as statistician for the automotive industry for more than 40 years. Polk's total count of cars, trucks, motorcycles and trailers, by make and year model, is the only annual inventory of the nation's wheeled population. Polk's new car and truck reports furnish manufacturers and dealers with regular capitulations of all sales for each territory. To produce these statistics, Polk maintains one of the largest electronic data processing installations in the country. By using Polk statistical services, American business can plan intelligently its production, distribution and sales.

MARKETING SERVICES

Polk offers a full range of services to help businesses increase their sales volume. One of Polk's principal services is custom-produced selective mail advertising for many of the nation's leading advertisers. Other services include: Mailing and prospect lists, couponing and sampling, data processing services, publishing of controlled-circulation magazines, contest administration, fulfillment services, consumer and market research, warehousing and shipping, creative services and fulfillment services.

BANK DIRECTORY

Published semi-annually, Polk's Bank Directory is recognized as the outstanding reference book in the financial world. The directory carries detailed information on each of the nation's banks, showing officers, directors, branches, statement and other data. The book also includes a Summary of United States Banks, charts and statistics and a listing of governmental banking agencies and banking organizations. Polk also offers financial institutions a portfolio of marketing, advertising and research services.

Street and Avenue Guide Including Telephone Numbers, Home Owner Symbols and Zip Codes

1967

Copyright, 1967, by R.L. Polk & Co.

IN THE FOLLOWING LIST THE NUMBERED STREETS ARE ARRANGED IN NUMERICAL ORDER FOLLOWED BY THE NAMED STREETS IN ALPHABETICAL ORDER, THE INTERSECTING STREETS BEING SHOWN. THE NUMBER OF EACH BUILDING ON THE STREET IS GIVEN IN NUMERICAL ORDER, AND OPPOSITE THE NUMBER IS PLACED THE NAME OF THE OCCUPANTS OR HOUSEOWNER OR TENANT. IN THE BUSINESS BLOCKS CONTAINING OFFICES THE OCCUPANTS ARE SHOWN BY ROOM NUMBERS WHERE PRACTICABLE, IN APARTMENT HOMES THE NUMBER DENOTES THE NUMBER OF THE APARTMENT. IN ALL STREETS BOTH SIDES OF THE STREET ARE INCLUDED IN ONE LIST. THE PROFESSION OR BUSINESS OF INDIVIDUALS OR FIRMS IS GIVEN ONLY AT THEIR RESPECTIVE PLACE OF BUSINESS; TO FIND OCCUPATION OF OTHERS REFER TO ALPHABETICAL LIST OF NAMES.

THE SYMBOL @ FOLLOWING A HOUSEHOLDER'S NAME INDICATES THAT WE HAVE RECEIVED INFORMATION DURING THE CANVASS THAT THE HOUSE IS OWNED BY SOME MEMBER OF THE FAMILY, BUT AS THE PUBLISHER CANNOT AND DOES NOT GUARANTEE THE CORRECTNESS OF THE INFORMATION FURNISHED, NOR THE COMPLETE ABSENCE OF MISTAKES NO RESPONSIBILITY FOR ERRORS CAN BE OR IS ASSUMED, NOR CAN THE PUBLISHER FURNISH FURTHER INFORMATION THAN THAT SHOWN.

TELEPHONE NUMBERS, AS SUPPLIED TO US ON OUR CANVASS ARE SHOWN

OPPOSITE NAMES.

ZIP CODE NUMBERS ARE SHOWN IMMEDIATELY FOLLOWING EACH STREET DESCRIPTION. IF A STREET RUNS THROUGH MORE THAN ONE ZONE, THE NEW ZIP CODE NUMBER IS SHOWN IMMEDIATELY PRECEDING THE LOWEST STREET NUMBER IN THE NEW ZONE.

THIS SECTION INCLUDES SOME LISTINGS READING "NO RETURN." IN EACH CASE THE PUBLISHERS TRIED DILIGENTLY, BY VARIOUS MEANS, TO OBTAIN THE INFORMATION FOR THE OCCUPANTS BUT WERE UNSUCCESSFUL. FIRST, TWO PERSONAL CALLS WERE MADE BY AN ENUMERATOR, NEXT, A DOUBLE POSTAL CARD WAS MAILED AND THE TELEPHONE USED WHEN POSSIBLE.

Statistical Review

Location—In the geographic center and the county seat of 50,000 population Story County. Bisected by U. S. Highway 30 and on the main line of the Chicago and Northwestern and on the Rock Island railroad running from the Twin Cities to Kansas City. Excellent bus service all directions with good connections for motor freight deliveries.

Housing has boomed in Nevada. A population growth from 3,750 to 5,000 in 11 years has seen two new "additions" fill with modern homes like these in southeast Nevada. Two additions are being completed now.

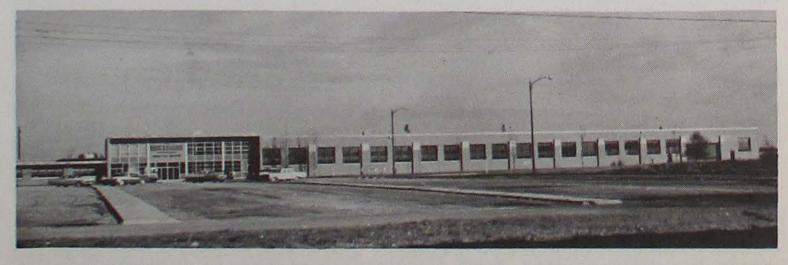

Agricultural Wealth—Nevada is located nearly in the geographic center of the state and centers one of the greatest agricultural areas in the world. The County Extension office is located here with all the activities of a scientific and educational program for Story County farmers and their children. There is also the ASC office, administering government programs for Story County agriculturalists, and the SCD department, handling conservation projects on county farmlands. In 1960 Story County raised 10,867,733 bushels of corn.

Weather-Rainfall averages 35 inches per year.

Municipal Bonded Debt-\$142,000 general obligation bonds (Jan. 1, 1962).

Trade Area-Farmers' trade center for greater part of Story County.

Utilities-Natural gas, Iowa Electric Light and Power Company. City water, 220 blocks of paved streets, new \$257,000 sewage disposal plant put in operation September, 1962.

Nevada's Reuben H Donnelley plant employes 500 persons and in peak operation twice that number. It is the towns' largest employer and exerts a tremendous force in Nevada's community life.

Business-Approximately 165 retail establishments, 17 industries; 2 banks with deposits of about \$11,000,000, plus Nevada Federal Home Loan and National Farm Loan establishments; Reuben H Donnelley Corp. plant employing 500 persons; General Telephone system serving six communities; Continental Sales Co., manufacturer of fertilizer blending plants; Graphic Forms, employing 100, printing sales forms; Continental Fertilizer; and the Nevada Brick and Tile Factory; Municipal Airport. Only eight miles from multi-million dollar National Animal Disease Laboratory. One modern hotel and two motels. Two cabin and trailer camps. Federal Post Office is one of the largest in the U. S. for community of 4,300 people. Community served by six-day daily newspaper with a circulation of 4,100.

Health-Community has three medical doctors, one osteopath and two chiropractors. Nevada is the site of a \$400,000 county hospital built in 1951 and recognized as one of the most modern and efficient for its size in the United States.

The Story County Hospital in Nevada, modern \$400,000 structure erected in 1951.

Recreation—Lighted baseball park, field house, football field, summer softball leagues, three gymnasiums, motion picture theatre, country club and grass green golf course, \$75,000 swimming pool completed in 1957, new \$300,-000 community building slated for completion in spring, 1963 two tennis courts and an outdoor basketball court to be used for ice skating in winter to be built soon. Two beautiful parks supplement city recreational assets and a continuous program of improvement is handled by the City Park Board.

Social Organizations—2 chapters - Beta Sigma Phi Sorority, Rotary, Lions, Wa-tan-ye, Soroptimist, Toastmaster International, Women's Club groups, Hiking and Camping Associations, Boating Club, Boys and Girl Scouts, Brownies and Cubs, Golden Age Club, VFW, Newcomers Club, American Legion and Auxiliaries, Rebecca, Masonic, Odd Fellow Lodges, Eastern Star and two restricted membership study clubs.

Education—A new \$650,000 high school was completed in the summer of 1962, highlights several years of growth into the strongest and most centrally located system in the county. An enrollment of 1,485 was registered in 1962, with 398 in the three-year senior high school. A new \$200,000 elementary school was built in 1955. New elementary addition \$400,000 in 1967. The Seventh Day Adventist Church also operates a high school in Nevada with about 140 pupils attending Oark Park Academy and an S. D. A. Parochial grade school. The City maintains an excellent library with an excess of 9,000 volumes. 1966-67 total enrollment - 1,650. 1966-67 3 year high school, 367.

Nevada's new (1957) swimming pool was built with \$75,000 in donated money. Kids from all over East Story County come here to take part in summer Red Cross water safety programs and just to have fun.

A new football and track field was added in 1963 with the new high school facilities. It is equipped with lights and an electric score board to take care of all games, day or night. permanent bleachers give adequate space for large crowds.

Through the generosity of Mabel Gates Wadsworth, Nevada was named beneficiary at her death and Gates Memorial Hall became a reality. With a large auditorium, a capacity of 800, an ultra modern lobby and ticket office, and two separate meeting rooms, this building serves any and all community activities.

City Park Board funds have helped turn Nevada's 4-H grounds into a summer recreational park for children and adults. West Indian Creek meanders down along the south edge of the grounds. In late summer Story County youngsters use the barns for a big 4-H fair.

Fire Protection—A highly-trained volunteer unit with a full-time paid chief. It operates city and rural units equipped with two-way radio. Fire loss is extremely small.

A recently completed economic survey of the twelve township trade areas of Nevada is guiding the retail community to growth through better service . . . an indication that the town's 19% population growth in the last ten years will be sustained in the coming years by an active and alert citizenry anxious to maintain Nevada's reputation as a good business town and an excellent place to raise a family.

An aerial view of Nevada's new educational complex shows the new senior high school at the left, the Gates Memorial Community Building at the lower right, the community swimming pool behind the community building, and the athletic stadium and track in the background.

Street and Avenue Guide Including Telephone Numbers, Home Owner Symbols and Zip Codes

1967

Copyright, 1967, by R.L. Polk & Co.

IN THE FOLLOWING LIST THE NUMBERED STREETS ARE ARRANGED IN NUMERICAL ORDER FOLLOWED BY THE NAMED STREETS IN ALPHABETICAL ORDER, THE INTERSECT-BEING SHOWN. THE NUMBER OF EACH BUILDING ON THE STREET IS STREETS IN NUMERICAL ORDER, AND OPPOSITE THE NUMBER IS PLACED THE NAME OF OCCUPANTS OR HOUSEOWNER OR TENANT. IN THE BUSINESS BLOCKS CONTAINING OCCUPANTS ARE SHOWN BY ROOM NUMBERS WHERE PRACTICABLE, IN THE APARTMENT HOMES THE NUMBER DENOTES THE NUMBER OF THE APARTMENT. IN ALL SIDES OF THE STREET ARE INCLUDED IN ONE LIST. THE PROFESS-STREETS BOTH BUSINESS OF INDIVIDUALS OR FIRMS IS GIVEN ONLY AT THEIR RESPEC-PLACE OF BUSINESS; TO FIND OCCUPATION OF OTHERS REFER TO ALPHABETI-CAL LIST OF NAMES.

THE SYMBOL @ FOLLOWING A HOUSEHOLDER'S NAME INDICATES THAT WE HAVE RECEIVED INFORMATION DURING THE CANVASS THAT THE HOUSE IS OWNED BY SOME MEMBER OF THE FAMILY, BUT AS THE PUBLISHER CANNOT AND DOES NOT GUARANTEE THE CORRECTNESS OF THE INFORMATION FURNISHED, NOR THE COMPLETE ABSENCE OF MISTAKES NO RESPONSIBILITY FOR ERRORS CAN BE OR IS ASSUMED, NOR CAN THE PUBLISHER FURNISH FURTHER INFORMATION THAN THAT SHOWN.

TELEPHONE NUMBERS, AS SUPPLIED TO US ON OUR CANVASS ARE SHOWN OPPOSITE NAMES.

ZIP CODE NUMBERS ARE SHOWN IMMEDIATELY FOLLOWING EACH STREET DESCRIPTION. IF A STREET RUNS THROUGH MORE THAN ONE ZONE, THE NEW ZIP CODE NUMBER IS SHOWN IMMEDIATELY PRECEDING THE LOWEST STREET NUMBER IN THE NEW ZONE.

THIS SECTION INCLUDES SOME LISTINGS READING "NO RETURN." IN EACH CASE THE PUBLISHERS TRIED DILIGENTLY, BY VARIOUS MEANS, TO OBTAIN THE INFORMATION FOR THE OCCUPANTS BUT WERE UNSUCCESSFUL. FIRST, TWO PERSONAL CALLS WERE MADE BY AN ENUMERATOR, NEXT, A DOUBLE POSTAL CARD WAS MAILED AND THE TELEPHONE USED WHEN POSSIBLE.

DIRECTORY SYMBOLS AND DESIGNATIONS

TN ADDITION to names and addresses, your City Directory contains much detailed information concerning the people of your community. In order to list this information certain symbols and designations have been developed which enable important statistics to be compressed into the smallest possible space. You will receive far greater benefits from your City Directory if you familiarize yourself with the symbols and what they stand for.

In checking credit applications, in conducting direct mail advertising programs, in planning sales campaigns, in building prospect lines, and in scores of other ways your City Directory will prove of invaluable assistance.

A STATEMENT

ADVERTISING PRINCIPLES

- 1. Good Advertising waims to inform the consumer and help him to buy more intelligently.
- 2. Good Advertising wells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.
- 3. Good Advertising ~ conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.
- 4. Good Advertising recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.

Advertising Federation of America

(Your Directory publishers fully subscribe to the principles set forth in this statement)

Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

Your City Directory Contains:

- An Alphabetical list of names and addresses of every resident, business concern and institution, plus wife's name and if a widow the deceased husband's initial, and the occupations of all. Principal officers or owners and a description of businesses are included as well.
- A Householders' Directory including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.
- A Classified Business Directory—listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.
- A "Yellow Section" or Buyers' Guide, where the advertiser may explain in greater detail the services or products he has to offer.
- A Statistical and Historical Story of your city; plus miscellaneous other information.

A STATEMENT

OF

ADVERTISING PRINCIPLES

- 1. Good Advertising waims to inform the consumer and help him to buy more intelligently.
- 2. Good Advertising wells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.
- 3. Good Advertising conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.
- 4. Good Advertising ~ recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.

Advertising Federation of America

(Your Directory publishers fully subscribe to the principles set forth in this statement)

HOW TO USE YOUR CITY DIRECTORY

The major departments in the Directory are arranged in the following order for ready reference:

- INDEX TO ADVERTISERS
- 2. INTRODUCTION 3. BUYERS' QUIDE

- ALPHABETICAL SECTION HOUSENOLDERS' and STREET GUIDE

Particular attention is directed to four symbols as being important contributing factors in supplying complete information. They appear as follows: ALPHABETICAL SECTION, "h"—Householders, "r"—Resident, HOUSEHOLDERS' AND STREET QUIDE, "A"—Telephone Subscriber, "@"—Homeowner.

Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

Your City Directory Contains:

- An Alphabetical list of names and addresses of every resident, business concern and institution, plus wife's name and if a widow the deceased husband's initial, and the occupations of all. Principal officers or owners and a description of businesses are included as well.
- A Householders' Directory including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.
- A Classified Business Directory—listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.
- A "Yellow Section" or Buyers' Guide, where the advertiser may explain in greater detail the services or products he has to offer.
- A Statistical and Historical Story of your city; plus miscellaneous other information.
